MIONETTO  
SPRITZ

The iconic COCKTAIL  
born in Venice

Its story dates back to the Napoleonic Wars  
in the early 19th century, when Austrian troops occupied  
the Veneto region - renowned for its Prosecco.

In search of a refreshing drink, soldiers and merchants  
began mixing local wine with a splash of sparkling water.

Over time, this simple blend evolved,  
elevated by the addition of bitters infused with the vibrant  
flavor of Italian oranges - just like our Mionetto Aperitivo,  
crafted according to a true Italian recipe.
